

Keep The Flames Burning: Save Your Relationship Before Its Too Late!

Relationships are complex constructs. Often people experience severe difficulties in maintaining their relationships properly. With time feelings fade away. While researching for this book I found out that most couples who experience severe problems cannot even tell exactly what caused them. Before this state passes a point of no return, the common question is What can we do to fix this?. Possible consequences of not doing anything are boredom, mutual ignorance and disinterest and most couples will likely part ways. Asking the question what was missing to have a fulfilling and loveful relationship, the most common answers where a lack of shared interests, beloved activities and desire for each other. In this book, I am trying to give inspiration and deliver easy and actionable advice to those to are willing to take action. Ill show you how to re-ignite your relationship with just a few behavior changes. Ill explain how to earn new trust and which steps to take in order to prevent your relationship from failing. I will show you to avoid relationship killers which sneak into your everyday life. In this book I am going to show you 60 easy ways to keep the flames burning. Be it friends, private environment, work or your family - each of those are factors that contribute to the success or failure in a relationship. With this book youll learn how to use each of these factors to strengthen and stabilize your relationship. I hope this book helps you to prevent problems and to overcome obstacles. Remember, what stands in your way, becomes the way - dont let your love for each other fade away. I wish you a happy relationship. Sincerely Yours, Emily Sophia Johnson
