

Kingdom Government and the Promise of Sheep Nations POD

What is the Kingdom of God? What is Kingdom Government? What are Sheep Nations? What relevance do these subjects have for the present generation? It is in response to these questions that this book has been penned. Kingdom Government and the Promise of Sheep Nations will systematically disclose how God works to transform society and culture through the power and authority of His Kingdom, which manifests from His realm. This book will take you into a revolutionary perspective of the power of God, and how God plans to display it in the last days. In order to unpack these concepts this book will begin with an assessment of society and culture. What do these subjects have to do with the hearts of men? The answer to this question will prove revolutionary, as you will learn how society manifests as result of corporate subconscious processes. As a result, it is possible for Gods kingdom to influence entire geographies of people and lead to cultural transformation. This will play a vital role in the last days as the arising circumstances, which involve very supernatural elements, will lead to an entirely new age. The Bible says if the days are not shortened, no flesh will remain alive. What does the satanic agenda include and what is the agenda for antichrist? As the end of the age approaches, radical things will occur that many are not prepared for. Yet there will be a company of people that will be prepared. There will be a mighty move of God to proclaim the gospel of the kingdom to all nations. There is a glorious church waiting to be revealed. This book will take all of these seemingly disconnected concepts and organize them into one cohesive message. Prepare for Kingdom Government and the Promise of Sheep Nations.
