

If you've spent more than two hours trying to figure out what to pack for the Camino de Santiago and still don't know what you're going to take, this book is for you. This guidebook was designed to give clear, up to date and honest information about how to successfully prepare your belongings for the Camino de Santiago. The purpose of this guide is simple: To teach you exactly what you need to take, why you need it and how it will help you in your journey. Other guidebooks don't provide enough information on what to pack and how to do it for individual needs. There is often too much guesswork involved. With this guide you will learn exactly what you need and what you don't. You'll be more confident and know why you packed the way you did. If you are timid or uneasy about the journey ahead, you are not alone, so are the majority of others out there. Don't worry; you're going to do great. This guide will maximize your experience by teaching you how to pack for your specific needs. Enjoy and Buen Camino!
