

The Events, Conjunctures, and Periods, Springboards for Any Rise, in Any Society.

The manual has got three items. The first item is a book that display the events, conjunctures, and periods on which people may capitalize to get a rise in the organization in which they operate. The book shows also how to use efficiently those three time factors. The second component is an article that makes discover the details of a technique that may be used for ascending that is called: The shield or Push and pull. A technique for rising used by patient, intelligent, and far-sighted people. The third element found in the book is another article that talks about the sleeping on the job, and how managers should be dealing with that issue. We give many examples of illustrious people, and sustain our ideas with the sayings of solid personalities in their respective domains.
