

## Le Creuset Cookbook

An Alain Ducasse Book  
Le Creuset Cookbook is a unique combination of a renowned chef, a beloved cuisine, and a favorite cookware brand. In this one-of-a-kind book, David Rathgeber, chef at the famed Aux Lyonnais bistro in Paris, uses Le Creuset, the versatile enameled cast-iron cookware, to create such classics of French cooking as Coq au Vin, Beef Burgundy-style, Blanquette of Veal, Potato Gratin, and Creme Brulee. Rathgeber offers 56 delicious bistro recipes, made simple and accessible for every home cook. The book also contains practical information about how to use enameled cast-iron and stoneware cookware, advice on how to choose the best produce, and tips from a wine steward about matching wines with food. Le Creuset Cookbook is a treat for all those who love French cooking and this classic French cookware.
