

The Freeing Power of Grace: Grace: Gods Gift of Freedom

Have you ever been burdened with guilt and condemnation? Do you desire to be set free from its grip, and to experience a revolution of grace that will transform your life? Many Christians walk in condemnation and guilt, because they fail to comprehend what Christ has accomplished in their lives. They believe that when they sin and fall short in their behavior that they are out of fellowship with God. They believe that they have only been forgiven of the sins they have confessed; when in reality, Christ has forgiven them of all trespasses (Colossians 2:13b). Seeking for counterfeit love and acceptance led me down a very painful path to a decision of abortion that devastated me. For many years I wore the rags of condemnation not fully comprehending the depth of Gods grace and forgiveness. This book, *The Freeing Power of Grace*, has helped me see that Christ forgave ALL my sins (past, present, and future) at the cross, and I am robed with the righteousness of God (Isaiah 61:10). True freedom is not something we strive to attain; it is liberty that we accept, receive, and have forever.
