

Once Upon a Monk: Memoir Essays

You are about to embark into a book that has taken four years in the making. Once Upon a Monk will hopefully support all readers in better understanding life woven into a fabric of monklure over the centuries. This living story of one monastic man, who continues an ongoing discovery of his real self, will help to turn the pages of your life if you so desire. In experiencing his personal process of Individuation, time never stops but takes him through many reincarnations. These pages tell his story of his twenty year monastic lifestyle that enriched his ongoing growth on the trellis. Much of this transformation is available to everyone. As John Henry Newman wrote over a century ago, In a higher world it might be otherwise, but here below, to live is to change and to be perfect is to change often.
