

Forever on the Mountain: The Truth Behind One of Mountaineering's Most Controversial and Mysterious Disasters

Winner of the 2007 Banff Mountain Festival Book Awards Grand Prize (The Phyllis & Don Munday Award): A riveting account of a long-ago mountaineering disaster. In 1967, seven young men, members of a twelve-man expedition led by twenty-four-year-old Joe Wilcox, were stranded on Alaskan Mount McKinley in a vicious arctic storm. All seven perished on what remains the most tragic expedition in American climbing history. Revisiting the event in the tradition of Norman Maclean's *Young Men and Fire*, James M. Tabor uncovers elements of controversy, finger-pointing, and cover-up that combine to make this disaster unlike any other.
