

Edited by Joe McCabe This version of the Neil Gaiman-authorized book is limited to 1,000 signed copies, with a portion of the proceeds to be donated to the Comic Book Legal Defense Fund. The most intimate look yet into the life and mind of the best-selling author and creator of The Sandman, *Hanging Out With The Dream King* features interviews with over two-dozen creators, who share their thoughts on working with Gaiman, presenting a unique mosaic portrait of the writer whose name has become synonymous with modern fantasy. Included are comprehensive interviews with all of the major Sandman artists, as well as rare and exclusive interviews with Sandman co-creators Sam Kieth and Mike Dringenberg. Illustrated with many unpublished photos and comic pages, this is the book Gaimans fans have been waiting for. Introductions by Tori Amos and Neil Gaiman.
