

Kids In Love: A Saturn Novella #1.5

As one of the original Saturnites, Darby McMillon has been a longtime face of the fandom. From the days when the boys were just a YouTube band trying to gain fans up through their recent lockdown, Darbys channel - Darbys Daily Dose of Drama - was the go to spot for all things Spaceships Around Saturn. Until now, shes been trusted by most and envied by few, but her meet up with SAS girlfriend Chloe Branson shakes Darbys world. She learns quickly that when youre with the band, everything isnt always red carpets and music videos. And the closer she gets to her SAS crush Tate Kingsley, the closer she comes to losing her Saturnite status forever.
