

# Pamela Landsburys Christmas Baking Shortcuts: 31 Fast, Easy (and CHEAP!) Baking Recipes for the Family [2013]

Want to prepare budget-friendly delectable baked goods this holiday season? Compelled to prepare delicious pastries but scared you'll mess up? Want to complete your Christmas baking as fast as possible? It can get a little hectic during the holiday season. There's shopping, wrapping presents, visiting relatives, and entertaining guests to keep you rushed off your feet. Considering all that, who has time to prepare delectable meals that require slaving over a hot oven or stove? Pamela Landsbury eliminates all that Christmas baking hassle, but still promises to teach you how to make dishes and pastries that will fill your life with holiday cheer and make your taste buds sing. Her book Pamela Landsburys Christmas Baking Shortcuts is a treasure-trove of fast, easy, and cheap recipes for Christmas baking. You will discover various tips and tricks to simplify baking in ways you never thought possible, and even start to love baking (if you don't already). In this book, Pamela will teach you: The secrets to inexpensive holiday baking Different recipes that will wow your family, friends, and guests Recipes you can cook this Christmas and anytime of the year How to put a Christmas spin on various traditional dishes How to create a festive banquet without spending hours in the kitchen How to create delicacies without breaking a sweat A variety of recipes for cakes, cookies, squares, muffins, and souffles that celebrate the holiday spirit How to go about the holidays effortlessly and stress-free Surprisingly easy ways to improve your cooking and baking skills How to go from kitchen zero to kitchen hero It's the merriest time of the year. Make it extra special for your family and friends by preparing a feast that tastes like heaven. Scroll up and click on Buy Now so your family and friends will have a Christmas party in their mouths!
