

Perfect Pairings: The Art of Connecting People

Connecting Is A Calling That Must Be Answered How much do you know about connecting people? What steps should you take to build your network and enrich your life and those of others both professionally and personally? This book can help, whether you are a professional trying to grow your business, a student trying to meet potential employers or even if you are looking for your happily ever after. In Perfect Pairings, Jessica Levin, President and Chief Connector at Seven Degrees Communications presents her recipe for creating successful and fulfilling relationships and expanding your circle of influence. With easy-to-understand chapters full of stories from her experience as well as true-to-life examples from professionals of various industries, this book teaches you: Connecting is a calling Few acts bring more satisfaction and joy to a person than helping others Networking is more than passing out business cards Anyone and everyone can be a connector You might already be a connector (and not even realize it) Even shy people can be master connectors Dont wait to read this book until somebody tells you that you need it; start connecting now and create your own blueprint for happiness and success.
