

P.T.O.(Please Turn Over)

THIS BOOK HAS ORIGINAL QUOTES OF THE AUTHOR AND IS FOR REGULAR AND NON-REGULAR READERS Every now and then while traveling alone or just standing in the shower thinking we all come up with interesting thoughts about everything under the sun including moments of motivation humor and past experiences. This book is all about one quote and also an inspiration or picture behind the quote. It is unconventional in the sense that it doesn't necessarily fall into a certain category. The book is like a dish which has a scoop of fiction (quotes inspired by hypothetical situations) a glass of non-fiction (quotes inspired by real people and their lives) and a dash of self-help (as I would like the thoughts here to evoke some positive change or thought). I hope the ingredients go together will and leave a great taste in your mind.
