

From Fear to Faith: ~Devotional on Faith & Marriage~

This devotional is a fun, inspiring read that will give you an extra boost to seek the Lord. Life is like a stroll on a beach. The beauty of our walks is we are able to see that the closer our relationship is with the Lord, the more visible His footprints are alongside our own. When we face times of struggle and calamity, we often focus on how big our circumstances are instead of how much bigger our God is and allow our fears to convince us we are walking alone. This book is for anyone who is seeking to move from fear to faith. Cassandra uses her love for the beach to incorporate Bible Scriptures into creative lessons on faith and marriage. Perfect to read while on your next beach vacation!
