

# Prepping Survival Basics 4-Box Set: Prepper Barter, Bug Out Bag Essentials, Homesteading Self Sufficiency Secrets, Prepping for the Unknown!

## BOOKS INCLUDED:

----- Prepper Barter: The Items You Need To Hoard Right Now To Use As Currency When Paper Money And Credit Cards Are Worthless -----

This practical SHTF survival guide will reveal the items you need to stash right now so you will be able to provide for your family when the grid goes down and deranged mobs roam the streets.

Discover... \* Then number one thing that everyone will need - have plenty of it. \* The rolled gold that you should be hoarding right now. \* Valuable items that will stop the spread of disease. \* Cheap, food preservation supplies that will disappear from store shelves within hours after a disaster. \* The powerful barter item that you should stash now (even if you dont use it yourself). \* Why you should buy as many of these tiny items today while they are super cheap and plentiful. \* The one item most people will forget - but that you must have to make use of your food supplies. \* The pharmacy items that people will practically beg for when they or their loved ones are injured or sick. \* Why you can never have enough of these life-saving barter items...just dont let too many people know that you have them. \* The inexpensive grocery store item that will be essential for disinfecting just about everything. ...and many more must-have prepping survival barter items to use as currency when society collapses!?

----- Bug Out Bag Essentials: Bug Out Bag Secrets They Dont Want You to Know About -----

This bug out bag survival guide reveals some of the most important - and often overlooked - items you need to have in your bag.

Including... \* The cheap, safe fire starter that should be in every bug out bag. \* Why most bug out bags are too small - and how to find one with enough space. \*

What to carry to survive freezing temperatures at night. \* The one type of clothing you should NEVER carry in your bag. \* Why most tents will fail to protect you... and how to find the right tent. ...and many more bug out bag secrets to help you survive SHTF! -----

Homesteading Self Sufficiency Secrets: What You Should Be Doing Right Now To Be Self Sufficient When SHTF And Society Collapses

----- This practical homesteading guide reveals the things you should be doing right now to start on your dream of having a self sufficient homestead, including: \* Homesteading skills you should be teaching your children.

\* Homesteading planning tips to get started with your off grid survival retreat.

\* What you need to consider when you turn raw land into your home sweet home. \* Why you might think twice about installing a septic tank if you go completely off grid.

\* The best way to store the food that you grow in your homestead. \* The first thing you should do when you are starting fresh on a raw piece of land. \* How to start a homesteading business to make income from home -----

Prepping for the Unknown: Create An SHTF Plan, Learn Survival Skills, & Store The Right Food For When Society Collapses -----

Read this practical SHTF survival guide and discover... \* Coming up with a plan to survive SHTF. \* Why this one thing is more important than anything you could store. \* How to uncover roadblocks that you do not see in your prepping plan. \* How much food and water should you store? \* How to avoid standing out when you are bugging out. \* Why you should never clean wounds with this kind of water.

\* How to avoid getting allergies from your prepping food. \* How to store a balance of food. \* Why you should never buy all your wheat supplies at once. \* The type of containers you should use to store food.
