

There are four basic questions that plague the human mind: Who am I? Why am I here? Where am I going? What exactly am I here to do? Each person enters into this world equipped with an inner homing beacon that prompts us to know that there is more to our existence than we may first perceive. If you have searched for the answers to any of these questions, this book can guide you by helping you to better understand why you have so many challenges en route to discovering your purpose while assisting you in maximizing your earthly assignment through communication and connection with others. Purpose Is Not Enough is the quantum leap that every person on this planet needs in order to appropriately and accurately find, execute, and maximize their purpose. Purpose is not the end; it's only the beginning! You are meant to be a part of a much bigger picture—one that connects you with people all around the world. Find out the answers to those questions, and open up a vast world of opportunity, where there is no limit to what you can do!
