

Rebekah - Girl Detective #13: The Ghost Snowman

Rebekah Daniels is just your ordinary spunky 9-year-old girl living in the small town of Curtis Bay - except she is determined not to be ordinary at all! Her small town is filled with mysteries and Rebekah is sure that she, along with her best friend Mouse, will be able to solve every last one of them. Rebekah is so excited to be going on a ski trip with her favorite detective and cousin, RJ. They'll drink hot chocolate, do some skiing and of course there is bound to be at least one good mystery to solve. When their ski instructor, Matt, fills them in about the local ghost snowman, they are not going to miss this opportunity to break a few rules and solve the mystery!
