The Majestic Cemeterys Guide to Find Your Fantastic One Mans Journey through Transition and Adversity to Find Meaning and Purpose in Life Follow Melchior as he journeys from a life of safety and structure into the unknown, where he is forced to take life one day at a time, to find the beauty and joy as a result of the adversity that comes his way. Melks journey is our journey as we work so hard to plan and control, to fix and amend, to be out in front of the challenges that face us in life. Then, one day, each of us finds our way to a cemetery. If we are lucky, its the way Melk does. We learn a new approach to life- less control, less expectation, more love, more joy and more acceptance.
