

Christian Worldview (6 Audio Cassettes)

Everyone has a worldview, a framework through which they interpret reality and answer life's ultimate questions. Many people, however, are unaware of the view they embrace. In this series, Dr. R.C. Sproul examines some of today's most popular worldviews and demonstrates that only the Christian worldview truly answers life's most important questions. Twelve 30-minute messages: # Secularism # Existentialism # Humanism # Pragmatism # Positivism # Pluralism and Relativism # Hedonism # Science # Economics # Government # Art # Literature
