

I am the Alpha and the Omega, the first and the last, the beginning and the end. The title of this book is Jesus words found in Revelation 22:13. It is my opinion we are the last generation of the Day of Grace. Soon the Rapture will occur, and if you are not a believer in Jesus Christ, you will be left behind. The record of those who have tried to establish the date of Jesus return (and, even harder to establish, the approximate date of the Rapture) is 100 percent failure. But these failures should not cause Christians to turn a blind eye to Scripture warnings or current events. If you read Matthew 16:1-3, I think you will agree that Jesus expects us to know the season of His return. Are you looking up and living an expectant life? Do you know what to look for? This book notes Scripture concerned with Jesus return and the events leading up to that event and, even more, the whole course of humanity on planet Earth. After all, Jesus is the Alpha and the Omega, the first and the last, the beginning and the end. The author is an Okie, born and raised in Oklahoma, and was educated in the public school system. He attended OSU, OU and OCU universities and obtained a degree in physics. He was employed by Rockwell Aerospace and Gulfstream Aerospace for twenty-eight and one-half years and at retirement, at fifty-six years of age, had the job title of Senior Systems Engineer. He spent two and one-half years in the U.S. Naval Reserve and went on a fourteen-day cruise of the Caribbean (but was seasick fifteen days). Later, he joined U.S.A.F. for four years, with a three-year tour of Europe. As a civilian, he has visited Hawaii, Japan, Greece and the Holy Land. He has been a Bible teacher in and around Oklahoma City for fifty-seven years, most concerned with single adults since he is single. Current Bible class name is Spares and Pairs. (Spares are singles; Pairs are couples, married or not.) His biblical position is fundamental, conservative, futurist Christian.
