

RIGHT HANDERS GOLF MANUAL

RIGHT HANDERS GOLF MANUAL
The Right Handers Golf Manual is intended to provide players at all levels step-by-step instructions on how to play golf and is designed to help you develop your skills and ability. It is presented in manual format so that it can be used not only as an instruction manual but also as a reference book. Golfers at all levels can benefit from the detailed instructions found in each manual chapter. Included is information on how to prepare to play the game, the fundamentals of grip, stance, and golf swing dynamics. There are chapters covering how to use the driver and fairway woods, the long irons, the mid irons and the short irons. There is instruction on the short game, bunker play, putting, playing from different lies, pre-shot routines and how to practice properly so that you get maximum benefit from the time you spend on your practice sessions. There are over 90 illustrations in the manual. Each of the illustrations includes step by step instructions on how to successfully execute the golf shots you will encounter in everyday play. The Right Handers Manual has something for every golfer. It will provide you with the tools needed to improve your game, lower your score, and improve your disposition on the golf course. You will come away from your golf games with a smile on your face.
