

The Hidden Side of Science: Mediumistic Interviews with the Spirits of Nikola Tesla, Luther Burbank, Oliver Lodge, and Albert Einstein (From Heaven to Earth)

Through a medium, author Robert R. Leichtman, M.D. interviews the spirits of four great scientists: Nikola Tesla, the man who made alternating current practical; Luther Burbank, the horticultural genius; Sir Oliver Lodge, a Nobel scientist whose research embraced psychic phenomena; and Albert Einstein, who offers a new theory of matter. Part of the six-book From Heaven to Earth series, The Hidden Side of Science sets a highwater mark for intelligent mediumship, exploring the nature of the scientific process and the esoteric principles of science.
