

## Ronaldoman - A Real-Life Superhero: The Ronaldo Prototypes from Around the 2014 World (Not the Cup)

As the sun set in Brazil, the 2014 World Cup came to a close, but the picture book with a story for the CR7 cause is still hot - even if you do not care about soccer and FryFu football; brought to you by the most powerful Thirst Mutilator - the one with real electrolytes! Ronaldoman is 100% for the Children and a worthy cause, or as one reader put it: Rather than another stats book about the star FORWARD for Portugal, this book is an amazing collection of crowd-sourced illustrations.

With each prototype of what superstar Ronaldo would look like as a SUPERHERO, we have a link to the artists page online or you can see them at the Facebook/Twitter profile page. The coolest part, of course, is that these illustrators are absolutely AMAZING and unique submitting their work from all over the world! The concept of a crowd-sourced ebook, the option of voting online, a dedicated Facebook page and donating to charity, has proven to be a popular trend with overwhelming participation.

Readers all over the world gave Ronaldoman 5 Stars plus 3 Thumbs Up! on social media and have used words describing him such as Brilliant! and Highly recommended! For Ronaldo 7 is phenomenal, but CR7 is the Ronaldo, man!

If you're in the market, please make sure you pick up 2 (Two) square paperbacks of this GLOBAL Best Seller. Twice. Trees may be powerful, but not more than Ronaldoman! On behalf of certain non-fictional persons, such as the included ones: Thanks for supporting one of the 2014 Ronaldo Projects! Muito Obrigado! Shukran Jazilan! Muchas Gracias! Vielen Dank! Merci Beaucoup! Molte Grazie! Hvala lijepa! Hartelijk Dank! Much obliged!
