

The Rough Guide 11s Liverpool

Rough Guides 11s are a brand-new series of pocket books devoted to the greatest football teams in Britain. Everything a Liverpool fan needs to know, and quite a great deal more you will enjoy finding out. This book is red through and through, from the best players to the 11 greatest Kenny Dalglish moments. Whether you want to relive the Shankly-Paisley era or remind yourself that the legendary Istan Kozma was once on your books, this is essential reading for any Red. The players include all the cult icons, penalty kings, strange signings and great keepers. Read about the flags, mascots, nicknames and Shankly stories, plus You'll Never Walk Alone, worst kits, fanzine covers, terrace culture and the best (and worst) games.
