

## The Salvation of the Lord

Whether you're simply a curious onlooker wondering if there really could be anything to this notion of only One True God and life after death or whether you're a member of another (non-Christian) religion who wants to compare beliefs or whether you're a Christian believer who is looking for some reinforcement to your own thinking about the salvation of the LORD, this book is definitely for you. It is intended for anyone who is even a little bit interested in what the salvation of the LORD is, how you can obtain it, and how you can be sure you've obtained it.
