

Standard Catalog of American Muscle Cars 1973-2006(Standard Catalog) (v. II)

Muscle car fans are embracing a revival as carmakers in the U.S. are flexing their muscles in a race for increased horsepower. This new volume combines the user-friendly standardized database format of Standard Catalog books, with a unique focus on the hottest models - Z/28, Grand National, and Trans Am - the model-options manufactured during the classic muscle car era. Collectors and car hobbyists will discover the true nuts and bolts detail of each car, the kind of information readers need to pinpoint exactly what a certain muscle car should have, and how many of that kind were built. With more than 400 stellar photos and factory art and in-depth production data presented in charts and tables, this is the best resource for authenticating muscle cars - the perfect for shows and auctions.
