

Stop Hoping... Start Hunting! A Job Seekers Guide to Finding Their Job

There are many self-help books out there that teach you how to be effective at interviewing and job hunting. This book takes the next step by looking internally as well as externally at what it takes to find your ideal job. In turn, it demonstrates how to build that successful career you have always wanted. It is never too late to take an honest look at yourself and your career and realize your full potential.
