

## Outstanding Creativity in a Week (Teach Yourself)

The ability to think creatively is crucial to anyone who wants to advance their career. Written by Gareth Lewis, a leading expert on creativity as both a coach and a researcher, this book quickly teaches you the insider secrets you need to know to come up with new solutions to a wide variety of problems. The highly motivational in a week structure of the book provides seven straightforward chapters explaining the key points, and at the end there are optional questions to ensure you have taken it all in. There are also cartoons and diagrams throughout, to help make this book a more enjoyable and effective learning experience. So what are you waiting for? Let this book put you on the fast track to success!
