Cruel Intentions meets The Vampire Diaries in this sexy packaging of a classic vampire series from bestselling author R.L. Stine. But this year the Eternal Ones have decided to spice things up with a little bet: The first to seduce a hot date of the human variety, and then turn him into a fellow creature of the night, wins. The catch? In order to successfully turn their prey, they must take only three small sips of blood on three different nights. If they take too much blood on any night, the human will die and the bet will be lost. The setup sounds simple enough, but things quickly get complicated especially since each vampire is just dying to quench her thirst...
