

In the spring of 2013, Kari Gale walked the Camino de Santiago. During the 500 mile journey, she documented each day in her journal with ink and paints, resulting in over forty watercolor illustrations. The simple prose and sketches found in *The Art of Walking* provide an intimate perspective that captures the sweeping landscape of Spain, the beauty of ordinary moments, and the profound simplicity and delight of walking.

Emerging Nanotechnology Power: Nanotechnology R&D and Business Trends in the Asia Pacific Rim, Nostradamus - The Quatrains to Hell, Haunted Lake Tahoe (Haunted America), Its Time for Joy: How to Become the Happiest Person You Know, Chandlefort (In the Shadow of the Bear Book 2), The craft of climbing, Defender, E-Business: Roadmap for Success (Addison-Wesley Information Technology Series),
