

The Black (Morpheus Road Series)

Cooper Foley always had a knack for finding trouble, but nothing he's ever experienced could have prepared him for his latest adventure: He has landed square in the middle of a border war between the worlds of the living and the dead. At the end of *The Light*, Book One of the Morpheus Road trilogy, Marshall Seaver learned the truth about what happened to his missing best friend, Cooper. Now the mystery continues to unfold, only this time through Cooper's eyes. What did Marshall's terrifying encounters with Gravedigger have to do with spirits from another existence? Who is Damon, and what role did he play in Cooper's dilemma? Most important, what is the mysterious Morpheus Road? It's time to learn, as bestselling author and master of thrilling suspense D. J. MacHale delivers another fast-paced, fantastical story that has all of existence hanging in the balance.
