

## The Glory of Being: A Biblical Journey into Abundance

The Glory of Being proclaims that finding our place of unity with God is the key to abundance. Referencing science, scripture, and dreams, Finnamore explores how duality and differences have been misconstrued, explains a biblical perspective on oneness with God, and offers the life of Jesus as an example of how abundance is not a far-off wait-until-heaven experience, but a here and now, dirty feet and sunburned reality.
