

## The Oonahnahmae Universe

Rebecca Christenson wrote The Oonahnahmae Universe for her daughters on Valentines Day, 2008. It was Intended as a celebration of unconditional love, between a mother and her children. Love expressed in the poem inspired fluid storytelling panels painted by Jennifer Christenson. This piece became a work of heart, from an Aunt to her nieces, and the collaboration of sisters. The Oonahnahmae Universe honors the fine art of listening, especially to small voices within, and around us. Follow wee folk into enchanted dreamscapes, as they feed the stars.
