

The Laws of Thinking 4-CD: 20 Secrets to Using the Divine Power of Your Mind to Manifest Prosperity

Bishop Jordan has produced a stellar work that is guaranteed to free the mentally enslaved, acquit the wrongfully charged, and bring healing to the sick. The Laws of Thinking is not a work for the shallow-minded person. It is demanding and challenging. It is neither intended to be used as the basis for unmerited criticism nor as sermon material for the minister having difficulty receiving a fresh work from the Lord. It was created with a very clear aim: to provoke spiritual thought. Bill Gates Microsoft, Oprah Winfreys Harpo Productions, Stephen Spielbergs DreamWorks, and even his own Zoe Ministries all began with a thought. Every invention, university, book, song, business, home, skyscraper, movie, stage play, and baby began when someone chose to think. Nothing happens without thought. Creation did not happen without Gods thought. Bishop Jordans first objective is getting you to think.
