

The Littlest Pirate King

Ghost pirates roam the Seven Seas in this classic childrens tale, newly adapted by David B., award-winning author of *Epileptic*. For decades they have roamed the seas, this shipload of undead pirates. They are desperate to die, but every time they try to dash their ship to splinters and end their miserable existence, a malevolent God scoops them out of danger. And so they have no choice but to continue to sail the seas, looting and killing. Until one day, having exterminated yet another ship of the living, they come across a pink little baby. Adopting him as their mascot and dubbing him their Littlest King, they continue their journeys. But eventually the King begins to grow up... Adapted by David B., the acclaimed creator of *Epileptic*, from a short story by Pierre Mac Orlan (which was published decades before the release of the *Pirates of the Caribbean* movies, thank you very much), *The Littlest King* is David B.'s first full-color graphic novel to be released in English, and his vivid palette combines with his stunningly elegant graphics to create a magical yarn that can be enjoyed by young and old alike. 48 pages of full-color comics
