

The Mystical Experience and Doctrine of St. Louis-Marie Grignon de Montfort (Tesi Gregoriana: Spiritualita)

In his many writings, St. Louis-Marie de Montfort teaches the riches of mystical union as a simple key for revealing different types of Mysticism. The Consecration to Jesus through Mary, which he taught, was meant as a perfect renewal of the baptismal vows. Saying this, Louis-Marie holds the view that mysticism is meant for everyone, since it is the ordinary flowering of baptismal grace through the practice of faith, hope and charity.
