

In August 2011 I was contacted by a man from Orion. Soon, other ETs followed. I was an egg donor in their hybrid projects. Follow Eva in this journey of alien contact, through hundreds of pages of telepathic conversations and encounters written down as they took place, as she asks herself and the Aliens, is the contact real or imaginary? Orion man collects bacteria and describes his medical equipment. Reptilians come to be honored. Dinosaur warns about the Reptilians. Zetas, hybrids, and a mean white Lady ET. And the legendary North Port Florida Devil whom I first call Goblin, then Gargoyle, comes to talk. Other ETs too, such as brown Reptilian who demands to be called God and wants sacrificial lambs. Strawberry the little red Reptilian who gets beat up by the other Reptilians, and many more ETs pay a visit. Get to know the Aliens notorious for alien abductions and hybrid programs when they talk in their own words about what they do here. Lots of stories and Alien personas for you to love. The Orion Project books are a documentary and this is not fiction. This book represents the censored version and should be suitable for all ages.
