

The Ruins on Stone Hill (Heroes of Ravenford Book 1)

Magic is Easy or so Glolindir thought, until he came face to face with his first live monster. Casting spells was not so simple with death breathing down his neck. His story might have ended there if not for three gifted youths: Seth, the mysterious halfling with the moves of an assassin; Lloyd, the spiritblade whose fiery swords are whirlwind-fast; and Aksel, the gnome whose very touch can heal. Yet that was just the beginning of their adventures, for dark shadows loom over the little town of Ravenford. The townsfolk quickly turn to these newcomers, who may indeed be their only hope. From the old ruined keep southwest of town to hidden caves in the western hills, through dark tunnels, secret passages, concealed rooms and magical mirrors, they must face mythical monsters, evil creatures, and dark wizards, each more perilous than the last. Can they rise to the challenge and become the Heroes that the people of Ravenford so sorely need?
