

These I Have Written An Extraordinary Journey Through An Everyday Life

These I Have Written An Extraordinary Journey Through An Everyday Life by Margaret Marge Hollenberger is a beautiful example of ones spiritual journey of remembering who they are and why they are here; ones awakening. Marge simply describes for us the beauty and vibrancy of life in all things and all experiences taking everyday life and reflecting the extraordinary in each moment. She poignantly shows us that God and the divine are in all things and all experiences if we only open our eyes to see, our ears to hear and our hearts to listen and feel. Marge provides us with an easy way to see the world through the eyes of the divine and in so doing reminds us of our own divinity. Her journey is similar to others and yet she brings unique insights, knowing, and inspiration to us as we feel love and inner peace expressed through her beautiful poetry. She offers each reader hope and provides a catalyst that ignites the spark of the divine within; a memory of LOVE beyond all measure.
