

For over 20 years, Napoleon Hill interviewed and studied the 500 greatest wealth-makers of his time. From their examples, he uncovered the universal laws of success--principles that will work for anyone willing to put them into practice. The result, first published in 1938, was *Think and Grow Rich*. Napoleon Hill pointed the way out of the Great Depression and towards a prosperous future. Seventy years later, we face new economic challenges, but the laws of success haven't changed. *Think and Grow Rich* is still the surest map to wealth. This special 70th Anniversary Edition has been carefully updated so that contemporary readers can more easily grasp Hill's meaning. It is large format (6x9) with top-quality production, making it the best available edition of *Think and Grow Rich*. Visit www.BestSuccessBooks.net to view other new, inexpensive editions of the greatest success books of all time.

The Ink Ghosts, A Message from the Stars, La Felicidad de nuestros hijos (Debolsillo Clave) (Spanish Edition), The life of the world to come;, The Westminster Handbook to Medieval Theology (Westminster Handbooks to Christian Theology),
