

# Personal Success in a Team Environment: Its Your Life and Career

People on the ground in any organization are the engine that drives accomplishment. Without front line staff, team leaders and front line managers all the executive strategy in the world doesnt get carried out.

This book is for those folks at entry levels of evert workplace that want more, frequently feel left out, and have hopes and dreams like everyone else. In a workbook like format readers can assess where they might be with managements expectations for engagement, improve their own communication, better influence upwards, improve how they deal with workplace and personal stress and those difficult people that frequently show up in our lives.

Written to help readers identify means to design and promote their own future each chapter can stand alone to shine light on being more successfulstart where it feels right. We believe everyone can be successful and share with you the messages that people have found most useful.
