

To Love and To Cherish

Can you remember the day you married your sweetheart? Love and excitement filled the air. Over time excitement can wear off when couples fall into routines that don't include fresh ideas to keep the marriage fun. The lack of love, respect, team work, communication and even money has caused so many marriages to fail. Jacqueline invites couples to take a look at a special list of ABCs that offers practical ideas that will return or keep the spark in any marriage but only if both parties are willing to participate. She also includes poetry after each letter and a list of the top five things most husbands and wives desire.
