

Devotion, passion and promises are no longer enough. Everything Ari has built his universe around threatens to come to a tragic end. Avas seven Kakos foes have been vanquished, but a new and even deadlier terror threatens the Alexander home. As Ari struggles with his role as a deity, he is forced to reveal to Ava his true lineage and what his identity means for their future together. The Zilotis, an occult group of surviving Kakos extremists, rise up to set themselves against the Fates...and no one is safe, no one can be trusted. Ari's fears control him. Trust crumbles and promises lose all meaning as Ari comes to grips with his past and the vows made in the past in his name. Ari will do anything for Ava, even if his devotion means his own death. Secrets are rampant, lies and new nightmares emerge. Will Ari be the man he promised he would be?
