

Unsophisticated and Rude (Yaoi Manga)

Hiroto and his best friend Satoshi have been inseparable ever since they were little boys. But what Hiroto supposed to do when Satoshi confesses that he's got a serious crush on a gorgeous (and popular) upperclassman named Nao? Hiroto wants his buddy to land the man of his dreams, of course...but there's a brand-new feeling tugging at Hiroto's heartstrings. Can this lifelong friendship weather the stormy waters of first love? *Unsophisticated and Rude* reveals that boys have it just as rough as girls when it comes to sneaky flirtation, passionate confessions and getting the one you love to love you back! In these short, sweet tales of friendship and heartache, a cast of beautiful men must decide when to let their true feelings shine through...and when to take the plunge into physical bliss! Sometimes, you have to risk everything to keep a perfect lover by your side.
