

This comforting and healing book is a must--not only for women who have at one time experienced pregnancy loss but also for their parents, sisters, daughters, brothers, and friends. Kim Kluger-Bells extensive fieldwork as a therapist specializing in the psychodynamics of reproductive crises strips away the shrouds of silence surrounding pregnancy losses and abortions, giving new voice to these unspeakable losses. Filled with in-depth stories of those who have experienced losses and solid, practical advice with mourning rituals and services, *Unspeakable Losses* is a necessary companion to all those who have experienced pregnancy loss and those who care about them. This soothing book is a must--not simply for women who have experienced pregnancy loss, but also for their partners and those who care about them. Kim Kluger-Bell, a therapist specializing in the psychodynamics of losing a child before birth--whether to abortion, miscarriage, or other loss--strips away the shrouds of silence surrounding this unique pain. She gives new voice to these unspeakable losses, in a culture that has rendered its discussion taboo. Combining in-depth stories with solid, practical advice, *Unspeakable Losses* articulates the myriad emotional stages that arise from pregnancy loss and validates what can otherwise be a terribly lonely experience. This book is a vital companion for women and men in comprehending--and recovering from--their own experience with reproductive crisis. This soothing book is a must--not simply for women who have experienced pregnancy loss, but also for their partners and those who care about them.
