

We Won You In A Raffle: An Adoption Story

An Adoption Story. Many people take the journey to adopt, but not many can say that they won their child in a raffle. We did. This is our story. It is the story of hope, heartbreak, scams, fraud and ultimately success. It is a story to help inspire other people who are trying to navigate the ins and outs of the adoption process. It can be a very long journey but all I can say is Dont give up. It will all be worth it!
