

The sensory details that infuse our everyday experience—the smell of a favorite dish cooking, the texture of a well-worn coat, hearing a song that reminds you of a person or a time in your life—can be used to add richness and spark to what we write. Whether you are a professional writer (or want to be one) or someone who just enjoys writing for the joy of self-expression, *Writing from the Senses* will show you how to tap into an endless source of engaging material, using your senses as prompts. Laura Deutsch explores all kinds of writing—from memoir and journaling to fiction, journalism, poetry, travel, food writing, and more.
